3. BUSINESS ARISING

4. GENERAL BUSINESS

4.1 November Intake

To decide ideas for November intake for quick turn around. 2 Events to be planned, as there are 40,000 online events for 300 students

- Campus Tours x2

- Business-MADA event: get members from BCSS/MADASS - run games night/intro with help out and community X2 Cork and Canvas?

- Looking to work with Clubs to be at centre

- Not essentially an orientation, but intake from Colleges. More welcome to Caulfield

4.2 Staff Hours

Lyn spoke to this. Following budget presentation being below salary costs, MONSU Staff agreed to implement critical work to reduce hours accordingly and appropriately to save liabilities and money. This has involved weekly modelling to ensure tracking into 2024.

Reassessment, following the increased workload with orientation, has allowed the majority of staff to return to their full time hours due to the increase of critical work. Student engagement is the exception to this due to their critical work not reaching need for a full time load.
